Launching February 2018, Road America's 4-Mile Dinner Series located in the Tuft Center on the revered grounds of America's National Park of Speed promises a night of intrigue and suspense where you help solve a mysterious crime and become part of the show. Top it off with dinner and fun with friends, and you have a full night out for only \$75 per person

Road America's *Murder at High Speed* varies from traditional mystery dinner shows. Actors are planted in the audience, pretending to be part of the crowd, and over the course of the night assigned detectives will uncover clues and interrogate audience members, helping everyone get closer to solving the mystery. Our 4-Mile Dinner Series is the perfect way to celebrate a special occasion, spend time with friends, or just enjoy your next night off!
